

**STUDENT UNION POLICY COUNCIL  
MEETING AGENDA**

**Wednesday March 26, 2008**

**5:00 P.M.**

**S.U. 324**

**I. CALL TO ORDER**

- a. 5:05 P.M.

**II. PASSING MINUTES**

- a. Aloise motioned to pass the minutes from February, Laura (SU) seconded and the minutes were passed.

**III. OPEN DISCUSSION (15 min. max)**

- a. Kevin (PIRG): What are your thoughts on creating a Fee Boards?  
Neil (WHUS): I think those matters are internal to USG.  
Beth (SUBOG): It would be good to increase communication between boards, but might not be effective because as it is there are so many meetings for everyone to attend.  
Jon: A newsletter would be more effective.

**IV. OLD BUSINESS**

- a. Priority Access Scoring – Board convened to score late application.

**V. NEW BUSINESS**

- a. Commuter Lockers
- i. Jon: We want to improve the function of the lockers because people were hoarding keys last semester. We want to create a policy against this. Students must not sign keys out daily from the info desk to be returned at noon the next day, subject to punishment if the policy is broken (see attached). We did not implement it this semester but we plan to for next semester.
  - ii. Nicole: My only objection is that people with 8AM classes won't be able to make class on time because the info desk only opens at 8AM. Also I'd suggest posting signs announcing the policy change by the lockers.
  - iii. Neil: What if we used automated locks?
  - iv. Kevin: There are a lot of options, e.g. fingerprint smart locks, which are fairly inexpensive.
  - v. Jon: That is a great idea but it would be difficult to regulate because we have to allow only "true commuters."
  - vi. Nicole: In any event, we will have them cleaned up and the new system up and running by Fall '08.
- b. Art Integrators
- i. Nicole: We want new and old parts of the Student Union to match and to

- add some murals to the walls.
- ii. Jon: We're getting the same integrators who did the football complex.  
Instead of meeting in the SU next week, we are going to tour the complex to check it out.

**VI. REPORTS**

- a. Domingo: I'm excited to work with you all next year.
- b. Laura: We are currently interviewing for event and building managers for the Student Union for next year.

**VII. ADJOURNMENT**

- a. Tommy: Move to adjourn.
- b. Kevin: Seconds motion.
- c. Meeting adjourned at 5:38 P.M.
